FRANKLIN TRAIL/ALDER CREEK TRAIL MAINTENANCE PROJECT

Carpinteria will soon have its own trail again! The Franklin Trail, which has been closed for years is on track to be reopened next year. We will be working on the north side of this trail that runs from the base of Alder Creek up to Camino Cielo. We'll drive to the trailhead and work our way up this beautiful canyon to a beautiful camp and beyond. Join us as we ready this side of the trail in anticipation of the opening of the front side.

Date of Project: Saturday October 9

Start Time: 8:30 A.M. for coffee and rolls.
We'll be heading out at 9 A.M.
and carpooling to the trailhead.

Location: Meet at the B of A on upper
State Street

Wear: Long Pants and sturdy shoes.
We will provide the tools if
you don't have your own.

Bring: Water, lunch and sunscreen.
